## ELECTROLYSIS - PERMANENT HAIR REMOVAL

Salon Director Lynn Clark, is an Electrolysis Specialist with over 30 years experience in permanent hair removal, advanced hair removal and advanced electrolysis treatments.

# APILUS xCELL PUR

The Apilus xCell Pur uses a 2712 MHz ultrafast radio frequency. Since this frequency is up to 6 times faster than that of other hair removal devices, it focuses the energy more intensely at the base of the hair, producing permanent results much more quickly on all hair types, of any colour and is less painful than conventional electrolysis giving incomparable effectiveness and comfort.
